#### **A WORD FROM REV. SU MILAM— PASTOR OF SINGLES MINISTRIES**

Greetings Singles! I do hope that you are enjoying the season and are fully engaged in what the season is really all about. We are preparing to be more intentional with our Redeemer. As we come to the time when we will end 2011, and prepare for 2012, it is a great time to look back and look forward at the same time. Looking at 2012 work to make this the most wonderful year yet. It should be a wonderful year because you are loved by a loving and merciful God. Let this year be a year that you will live with a positive outlook in your life. Endeavor to control life and not let it control you. In the face of difficulties, work to turn challenges and catastrophes into blessings. And finally, work that in 2012 you are going to be a better person than you were last year. Off with the old habits and attitudes, time now to take on the new. Come try an event with us, a new class, a new worship service. Bring a friend with you when you come, community and connections are what this life is really all about. Jesus, the reason for the season, and the Hope for the New Year. Blessings, Su

#### **FUSION SUNDAY SCHOOL LEADERS-JOE & ELAINE SEEBER**

It would be stating our feelings very mildly if I said "we have enjoyed the past few months with FUSION". The blessings we continue to receive from each member, each Sunday, and each special event of FUSION is overwhelming. We look forward with great anticipation to 2012 and what our Lord has in store for FUSION. No doubt the Christian fellowship and love that surrounds our members will continue to be an inspiration to all of us. -Joe & Elaine
